

RESEARCH RUBRICS FOR FINAL ORAL DEFENSE

Title of the Study: _____

ORAL PRESENTATION

Presenter 1: _____

Presenter 2: _____

Presenter 3: _____

Presenter 4: _____

Presenter 5: _____

Indicators	Highest Score/ Rating	1	2	3	4	5
Delivery: Does the presenter's voice, poise and eye contact make a favorable impression? Does the speaker have a clear delivery? (Presenters may use notes but should not read from them.)	20					
Organization: Does the presentation have a logical organization? Are the proposals sound and relevant? Does the speaker make clear explanations of their specific part in the proposal?	20					
Visual Aid/Instructional Technology: Has the presenter used appropriate visual aid? Powerpoint presentation design has not watered down the content of the presentation. The presenter is not only reading the content.	10					
Familiarity and mastery of the subject: Does the presenter demonstrate knowledge of the subject? Did the presenter answer the questions fully and clearly? Is the presenter persuasive enough to convince the audience?	20					
Preparedness and Appropriateness: Is the presenter able to focus and consistently show confidence during presentation? Is he or she obviously well-prepared of his or her task?	10					
TOTAL	80
